AMA Gold
Leader Club

The Greater Southwest Aero Modelers, Inc. is a nonprofit organization. Membership is nondiscriminatory and open to anyone who agrees to abide by Club By-Laws. A condition of membership for insurance purposes is current affiliation with the Academy of Model Aeronautics (AMA). Our flying field is located at 6903 Randol Mill Road, 1/4 mile east of exit 26 off of Loop 820 at N 32°46.895' W 97° 12.361'. Visitors are welcome whenever the gate is unlocked. Free flight training instruction is available to members from 6:00 PM to dusk on Monday and Wednesday while Daylight Savings Time is in effect. Regular Club meetings are held on the second Tuesday of each month at 7:30 PM at the McDonalds Restaurant, 769 W Airport Fwy, Hurst TX. Take the Precinct Line exit, and the McDonalds is on the east bound access road.

Next Meeting:

October Secretary's Report

The October 2009 business meeting was called to order by club president Tim Lovett at the McDonalds Restaurant at 769 W. Airport Freeway Hurst, TX 76053.

The business meeting minutes of the September meeting as printed in the newsletter were approved.

Visitors/New Members: We welcomed Lee Gant and Art Reyes

Field Report: Field extremely soggy from the recent heavy rains and will be closed if the rains continue.

Old Business:

Our McDonalds Restaurant Host: Be sure to keep your food/drink purchase receipts from our host store, McDonald's #25720 Precinct Line Rd & HWY 183 Hurst, and also four other local McDonald's locations: McDonald's #13021

Belknap St & HWY 177 Haltom City, McDonald's #29446 Precinct Line Rd & Harwood St (Inside Wal-Mart) Hurst, McDonald's #16807 Cheek Sparger & HWY 121 (Inside Wal-Mart) Bedford, McDonald's #10145 Handley-Ederville & HWY 121 Richland Hills. Our five local McDonald's restaurants donate generously to GSWAM club charities, and the donation amount is based on a percentage of total food/drink sales, so hang on to those receipts! Chuck Rovell collects and totals the McDonalds receipts.

Christmas Banquet: Banquet tickets are now available for purchase, (\$22.00 each), from Tom Russell.

Coke Machine Cage: There was some discussion regarding the concessions area coke machine's security cage installation. Nothing done as yet, but the work has been approved.

Storage Building Replacement: Frank Rowell has found some nice water tight 8'x 8' x 20' long storage buildings. There was some discussion regarding project budgeting and existing storage building removal. The old storage buildings could be sold off as scrap to help offset the new building(s) purchase costs.

Mower Replacement: Lewie Moore reported that the older Craftsman mower

is in need of replacement.

Canned Food Drive Fly-In: (November 7th) Entry fee is a donation of nonperishable food items to help the needy, so join in the fun and bring canned food item(s), and help support our Tarrant County Food Bank charity. It's a day of open flying, so fly what you bring. Food collections start at 8:00 A.M. regardless of the current weather conditions.

Toys for Tots: (December 12th 8:00 A.M. to 4:00 P.M.) The Landing Fee is a new unwrapped toy to be donated to the Toys for Tots program. There will be times for aerobatics, racing, combat, warbirds (yes!), civilian, fun-fly events. Max Ficken CD.

New Business:

Club Officer Nominations: The attending club members made a motion to retain and re-elect all existing club officers for 2010. The motion was seconded and approved by a majority

show of hands from the attending club members. There were no new officer nominations.

Winter Auction: The attending club members discussed having an auction at the Temple Baptist Church, (located across the street from our flying facility), this coming January or February to be held on an early Saturday morning.

Club Shirts and Hats: If you would like to purchase a club polo style shirt or cap see Chris or Karen Proctor at the flying field.

Club Web Site: Be sure the visit the Greater Southwest Aero Modeler's web site at: <http://www.flygsw.org> . There is a current membership roster in the "Members" area and be sure to check out the club's "Tech" site, there's an abundance of useful information available there.
